Louis Chlem, sheet metal worker and founder of the firm of L. Chlem and Son, 339 Poplar, came to this country in 1899, coming on to Memphis from Galveston, his original landing place, in 1900.

He was born in Kamenetz, Podolsk, in 1878, the son of Abraham Isaac and Adele Chlem. Until he was 13, he attended Cheder in Kamenetz, and then began learning to be a tinner.

In 1898, he married Rachael Katchmon, who died in 1915, and they had two children — Abraham, who married Miss Molly Schneider, and is associated with his father in business; and Adele, the wife of Dave Feldman, of Baltimore, Md., the couple now living in Washington, D. C.

In 1918, Mr. Chlem remarried, taking to wife Miss Rebecca Biller. They have no children.
